1. The story of the original history of this house and how it was rented by LINDEK and FROELICH is contained in my report concerning FROELICH (attached to contact report No. 11).

2. At the present time, to the best of my knowledge, the following persons reside in the above house.

He is between fifty-five and sixty years old, bearded, and is the author of numerous Russian grammars. He was formerly the head of the Central Bureau of Russian Emigrants between the years of 1945 and 1946 when he lived in Schleissheim. He was the organizer and master mind of a group developed to aid former VLASSOV followers who are in need of false documents in order to avoid being picked up by the Soviets. TSURIKOFF is still one of the principal activists of Russian emigre groups in Germany.

~~X~~ BELJAIEFF or PILAIEFF, (fn). He is the author of a number of second rate novels and was a close friend of SAWALISCHIN, a talented journalist who has emigrated to the USA. At the present time BELJAIEFF resides with a friend who calls himself a count. To the best of my knowledge, both are without work. The rest of their activities are unknown to me.

There are many others whose names I do not know.

5. KROMIADI is very highly educated, a fanatic anti-Soviet, and is considered by all to be completely honest and incapable of being bought. So many of the various emigre groups send representatives to KROMIADI because they can always obtain good advice and because KROMIADI can arbitrate various arguments and because being able to say that he is a friend of KROMIADI always enhances the reputation of the person or group claiming the friendship. One additional advantage is the fact that KROMIADI was very close to VLIASSOV and still has strong ties with VLIASSOV'S former adherents.
